

**ADDENDUM #1
TO THE CITY OF GLEN ROSE
SOLID WASTE COLLECTION, HAULING, AND DISPOSAL SERVICES**

RELEASED ON FEBRUARY 15, 2022
(Addendum issued on March 16, 2022)

This addendum shall become an integral part of the City Of Glen Rose Solid Waste Collection, Hauling, and Disposal Services RFP Released On February 15, 2022. Please acknowledge receipt of this addendum when responding to the associated RFP.

I. Clarifications and Changes Related to the Pre-Proposal Conference

- A. Once the proposals have been received, opened, and reviewed, City staff will make a recommendation to the City Council as to which proposal staff believes represents the best value for the City.
- B. The “gross receipts” referred to in Section 16(E) of the Agreement is all income from the contractor’s business under this contract within the City of Glen Rose.
- C. The amount of the franchise fee for gross receipts stated in “Section 16(E) Franchise Fee” in the RFP shall be changed from four percent (4%) to five percent (5%). The current franchise fee is five percent (5%), and that rate shall remain constant.
- D. Currently side-load equipment is being used in the City, but the City prefers to get away from that type of equipment because the dumpster enclosures in town weren’t built to accommodate that type of collection and because the limitation on the side-load dumpster size creates an unwanted multiplication of dumpsters.
- E. The City has no population growth projections and will not be providing that data.
- F. Currently, the City creates a list for bulky item collections. Under the new agreement associated with this RFP, the City will continue using a list.
- G. In “Section 20, Customer Service” of the Agreement, add “, if required,” following “Service Request Forms”.
- H. The opportunity to petition for a CPI increase starts one (1) year and five (5) months after the contract’s effective date.

II. Clarifications and Changes in Response to Post Pre-Proposal Conference Inquiries

- A. An Alternate Proposal for a seven (7) year term, in lieu of the five (5) year term specified in “Section 13, Term of Agreement” will be entertained. The terms for extension of the agreement shall remain the same.
- B. In accordance with the statement on page seven (7) of the RFP, “*I have full authority to do so and will execute the said Agreement as presented,*” the City expects Respondents to be willing to execute the agreement as presented in the RFP and this addendum. However, in keeping with the provisions under “Method of Award” on page 4 of the RFP, there will be an opportunity for the City and the Respondent to negotiate and revise the terms of the Agreement, provided that such revisions are acceptable to both parties.
- C. In “Section 20, Customer Service,” the primary contact and toll free phone number,

primarily, shall be for communication between City staff and the Service Provider. Other than transactions between Roll-off customers and the Service Provider, the City will serve as an intermediary between customers and the Service Provider.

III. Names on Pre-Proposal Conference Sign-Up Sheet

- A. Sean Dowden, Waste Connections
- B. Chris Henderson, Frontier Waste
- C. Fabian Muzquiz, Republic Services
- D. Robyn Mota, Republic Services
